Art Unit: 1731

1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Advisory Action issued on 8/7/2003, is withdrawn. Provisional obviousness-type double patenting rejection issued on 6/2/2003, is withdrawn.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show: an apparatus for determining characteristics of a running material web, said apparatus having a measuring device moving along at least two degrees of freedom of movement during data detection (claims 33, 99); a method for determining characteristics of a running material web, said method including the step of moving a measuring device along at least two degrees of freedom of movement, and during the moving detecting data of a measured parameter (claim 100).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone no. is 703-305-4522.
